

Pro Coax Cable Stripper

- Exclusive orbiting blade technology strips a variety of coaxial, triaxial, multi-conductor cables, hook up and single conductor wire up to .275 O.D.
- Strip length up to 1.500" maximum
- User-friendly large Graphical Use Interface (GUI)
- Titanium Nitride coated HSS cutter blade.

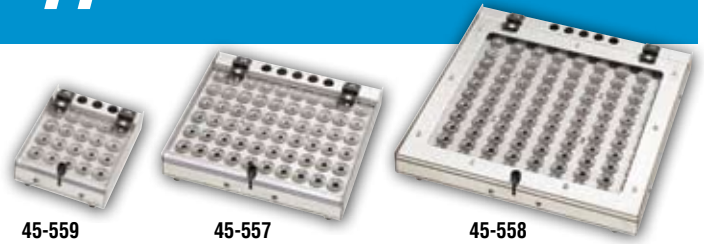

Strip lengths are adjustable in inches or millimeters from a minimum of .001" (.01mm) to a maximum of 1.500" (38mm).

Pro Coax Cable Stripper

Multi-purpose programmable stripper supports the orbital stripping of most common Coaxial and Triaxial cable, PVC & Teflon®, Hookup wire, other wire and cable requiring full circumference rotary-type insulation cut for optimal stripping

Teflon® is a registered trademark of E.I. du Nemours and Company

45-559

45-557

45-558

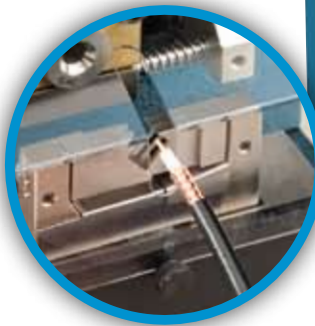

User-friendly Large Graphical User Interface allows all cable setup data to be displayed and edited simultaneously

Stores up to 999 batch programs for both frequently job runs and low quantity job runs

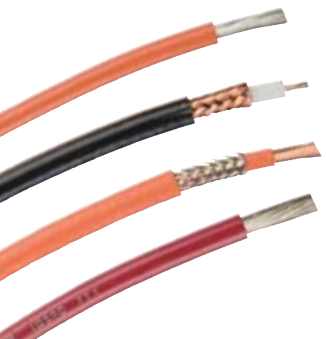

Fully programmable up to 5 steps strip for coaxial and triaxial cable applications

Password Security System protects against program modification

Precisely adjustable cable centering for stripping quality

Interchangeable wire guides to assure repeatable quality strip every time

Strip lengths are adjustable in inches or millimeters from a minimum of .001" (.01mm) to a maximum of 1.500" (38mm).

Ordering Information

Description	Cat. No.
Pro Coax Cable Stripper (120 V)	45-552
Coax Replacement Cutter Blade Set	45-554
Coax Replacement Gripper Blade Set	45-555
Coax Replacement Clamp Jaw Assy.	45-556
Coax 60 pc Wire Guide Set	45-557
Coax 120 pc Wire Guide Set	45-558
Coax 20 pc Wire Guide Set	45-559
Coax Replacement Safety Guard	45-560

Technical Data

Max. Cable Diameter (O.D.): 0.275 (7mm)
Min. Cable Diameter: 0.0394" (1.0 mm)
Max. Strip Length: 1.500" (38mm)
Stripping Length Increments: .001" (.01mm)
Min. Strip Length: .001" (.01mm)
Max. Stripping Steps: 5
Program Capacity: 999 cable programs
Cycle Time: 7 seconds depending upon cable type and programming
Machine dimensions: 8.5"w X 16" d X 12" h
Machine weight: 35 pounds
Warranty: 1-year limited warranty
