OCETA
WE CONNECT YOUR SYSTEM

Optimized logistics dedicates to our customers

Study, design and realization of specific products on demand

Support brackets for connectors :
OCE93-144M for D38999 series 3
OCE92-801 for Glenair series 801
OCE92-805M for Mighty Mouse Glenair series 805

Kit OCE96-190

Contact retention tools for removable contacts:
OCE8, OCE12, OCE16, OCE20, OCE22 and OCE23

Tailored kit design
(We cut the foams in house)

OCE87-2
Torque screwdriver made to measure

Socket case for clamping connectors

Mil-Aero tools
oceta distributes DMC since 1976

OCETA is the only official authorised reseller and repairer authorized by DMC in France and Morocco

• Crimping pliers : manual, pneumatic and battery-powered,
certified according to MIL-C-22520 (counter optional)
• MIL-I-81969 insertion and extraction tools
• Positioners, jaws and retention tools
• Socket sets, tensile test benches
• Tools and cables for the Safe-T-Cable solution, Safe-T-Cable
• Development of positioners and heads according to customer requirements
• Banding tools for collars and bands
• Lacelok® cable lacing fastener system

HX4 / HX3
Over 2000 dies available

Pneumatic crimping tool
WA23

Manual crimping pliers, turrets,
positioners, go-nogo gauges

Crimp tension testers
MPT-250C

Insertion and extraction tools
DAK95-22MA, DAK95-20JA, DRK95-12B, DRK67,
M81969/14-01, 809-088

Pneumatic tools with support :
WA27E, WA22AE, WA27-309-2C

Electrical crimping tools
HXE4C

Sheathing tools
TSK8000

Pneumatic stripping tools
WSP-1630

Fretting tools
DBS-2100/220

DBS-1100/1200

DMC DANIELS MANUFACTURING CORPORATION ®

LaceLok®

• Harness support clamp

Measuring system

DRV-Z1

· Greater comfort and increades productivity
· More precise hand-eye coordination
· 6x optical magnification
· 3D digital stereo system without the use of special glasses
· 4MP resolution
· 93x magnifications (x186 digital)
· Images can be captured to a USB stick

Swift Pro Cam /Elite

· Non-contact measurement
· High-resolution video or lens
· Fast, easy and accurate
· Measurement table 200x100 mm, 1µ
· 20x magnification (and 10, 50, 100*)
· Exclusive M2 video software
· Controlled LED lighting

TVM35

· Measure flat, square or cylindrical components in seconds
· Use as a simple digital profile projector or a complete video measurement system

EVOCAM //

EVOCAM II

· Full HD video 1920 x 1080 in real time
· Work/check/rework 60 frames per second! No latency
· Magnifications from 0.8x to 750x
· Magnification displayed on screen
· Controls on the caméra or with console
   (calibration or measurement)
· Integrated lighting and USB stick for capturing images

Mant|s

NEW
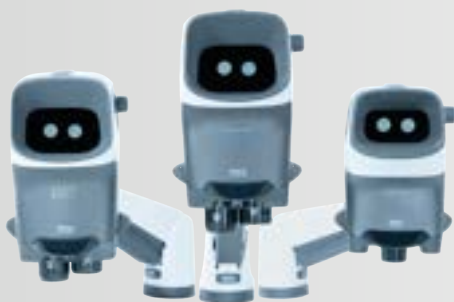

LYNX EVO

PIXO / ERGO / IOTAS
· Wider field of view
· Larger exit pupil – Enhanced horizon
· Optimized lighting and dynamic 3D
· 3-lens turret – High-performance camera

LYNX EVO

· Optical HD video for screen captures, pseudo-live imaging, measurement, reports
· Stereo microscope without eyepiece Superb 3D imaging Work/check/rework/very ergonomic
· Magnifications from 2.7x to 120x
· DRV-Z1 various stands available

WE CONNECT YOUR SYSTEM

Our Technical Support

OCETA also supports you in the maintenance and repair of your tools, guaranteeing the constant quality of your productions.

**OCETA is the official repair center for three of our suppliers.**

DMC

OCETA controls, calibrates and repairs DMC tools.
The tools corresponding to the MIL-22520 standard are checked by our technicians and a certificate of conformity is issued.
DMC has qualified OCETA as the only company in France that can issue certificates of conformity on its tools (DANIELS pliers).

BAND-IT

OCETA is the only official repairer of Band-It products in Europe.
We repair your tools in our premises in Saint-Cyr-l'Ecole.

TE-connectivity

OCETA ensures the control and calibration of TE-connectivity products within its after-sales service, but also at your production site.
